

Arete Classical Co-op Behavior Policy

By signing below, you and your student agrees to abide by the following:

1. Arete uses a combination of college-preparatory instructional methods, including lecture and Socratic discussion. The undersigned student agrees to behave in a respectful, age-appropriate way during class.
2. The student will not disrupt the learning of others.
3. The student agrees to come ready to participate in discussions and other classroom activities.
4. The student agrees to bring to class any and all assigned coursework completed to the best of his or her ability.
5. The student agrees to refrain from horseplay and roughhousing.
6. The student agrees to make reasonable attempts to be on time for class, to stay the whole time, and to remain focused to the best of his or her ability on the classroom activities and materials.

If significant disruptions occur, the student will receive a warning. After one warning, we will excuse the child from the classroom and call the student's parent or guardian to be picked up.

If a student needs to be sent home twice during the course of the year, his or her enrollment in Arete Classical Co-op will be revoked; no refund will be issued.

I understand and agree to the above behavior policy.
