

# Arete Classical Co-op Dress Code

2016-2017 School Year

## Arete Apparel Guidelines:

1. Please dress modestly, taking care to cover that which should be covered, out of respect for others.
2. We leave the decision about what is modest to parents, but we ask that you consider whether outfits are too revealing to be appropriate for a co-ed classroom.
3. Arete reserves the right to ask a student to cover up if an outfit is inappropriate for the classroom setting.
4. No vulgar, rude, or offensive statements on clothing such as tee-shirts will be permitted.
5. Within the boundaries of appropriateness and modesty, Arete encourages and cherishes self-expression through wardrobe choices.

I agree to adhere to the above-stated guidelines when at Arete Classical Co-op.
